## Port Said Port Authority's Road Show

Infrastructural project and Industrial Park presentations

Wednesday 13 July 2022

Confindustria Bergamo

10.30

Via Stezzano, 87

The Road Show is aimed at presenting the infrastructural project of the Port Said Industrial Park, an industrial area located near the Suez Canal where companies in the automotive, household appliances, railways, steel mills sectors and manufacturing companies in general, may have an interest in establishing production plants on site in the light of reduced costs, fiscal and administrative incentives and the logistical strategy towards other markets in Africa and the Middle East.

### **Agenda:**

#### **10.30 Opening remarks**

Laura COLNAGHI CALISSONI - Vice President Confindustria Bergamo

Paolo BIGLIERI - Vice President Confindustria Assafrica & Mediterraneo

#### **10.45 Presentation of the Industrial Sector of the Bergamo area**

Luca Pandolfi - Studi Territorio Competitività Internazionalizzazione Confindustria Bergamo

#### **10.55 Presentation of the Egyptian Port Authority**

Houssam Abdel-Aziz - Executive Board Member East Port Said Industrial Zone

#### **11.45 The legal aspects of operating in Egypt**

Secondari Francesca - Partner of BonelliErede based in Cairo

#### **11.55 Roundtable with Italian companies**

#### **12.30 Closing remarks**

Following the Event, it will be possible to deepen the topics covered through 1-2-1 sessions with the representatives of the Port Authority.

The working language will be English.
