

SACE and Contracta Costruzioni

Suppliers' Workshop for the Ghana Eastern Hospitals Refurbishment

5th December 2018 - 10.00 AM
Via San Marco 21/a, Milano

SACE has guaranteed a **40 million EUR loan** to the benefit of the EPC **Contractor Contracta Costruzioni Italia** – the Italian branch of a major Brazilian engineering and construction company - with respect to a **brownfield project in Ghana**, regarding the **construction, retooling and equipment** of **4 hospitals located in 4 different regions of Ghana Republic**. In order to execute the engineering and procurement supply, Contracta Italia is willing to assign **new orders to Italian SMEs**.

To this aim, SACE and Contracta Senior Project and Country Teams from Italy and Ghana are pleased to invite you to the presentation of the hospitals' projects set to start in the early 2019 and to reserve a **B2B meeting** with their representatives.
